1. Fuel depot near Koterov, SE of Pilsen (N 50/L 04):

25X1X6

[REDACTED] that the installation of a fuel depot for military and civilian purposes was started in 1949 in factory buildings adjacent to the J.E. Rudolph factory. The depot was connected with the Na Slovanech Barracks by a railroad spur. The construction work was done jointly by the military administration and the national construction enterprise "BL". It was allegedly planned to include the adjoining J.E. Rudolph factory in the depot. Oil and lubricants were stored in the converted factory buildings by mid-January 1950. Gasoline containers were dug in the ground.

2. Military ration supply depot near Plana (N 50/L 15):

It was learned in late 1949 that the former brewery SE of Plana was used as a military ration supply depot, allegedly containing stocks to be used only in case of mobilization. The brewery had large beer storage cellars serving as cold storage for foodstuffs. Expansion work was being done. The first food shipments arrived at the Tremosna (N 50/L 05) railroad station in late 1949 and were hauled to Plana on trucks by Tremosna troops.

3. Ammunition depot near Darova (N 50/L 15):

25X1X6

[REDACTED] that a large ammunition depot was located near the Darova power plant, between Darova and Kadryb; (N 50/L 15). Details about the depot could not be learned.

25X1A6a

All three depots are reported for the first time.
